

elpro

Service on vessels

Our skilled service team performs repairs, maintenance and service on all types of vessels – all over the world. No assignment is too big or too small for our service team. We help ensure that your ships meet the highest industry requirements and standards throughout the vessel's lifetime.

If you need emergency help, call us at  **+47 982 37 600!**

We know that staying operational is critical for our customers.
Therefore, we are always available – every day, all year round.

Why choose us?

We never say no to our customers. Businesses chose Elpro as their service partner because we take your challenges seriously, and do not give up until we find a solution. Alongside our worldwide network of service personnel and equipment suppliers, and together with our in-house engineering-, management-, and technology experts, we always deliver the right solutions and expertise to our customers.

Available 24/7 – across the globe

The Elpro service team is only a phone call away. We perform service ourselves, through our global partners, or by combining our own and our partner's resources. Regardless of how we solve your problem, all your communication is with us. We perform service across the globe, and regardless of whether the ship is en route, docked or at the quay.
